

TEXT MESSAGING YOUR NURSE

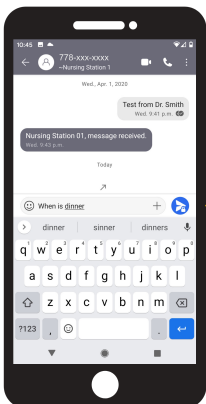

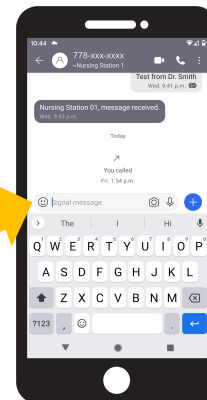

1

Open the Signal app
Click on the number to the **Nursing Station**

2

Click inside the **text/signal message box** and begin typing your message

3

When you are ready to send your message, click the blue **Send Message** button. Your nurse will respond as soon as they are available.

Your nurse may initiate a video call with you. Hit the video button at the top of your phone to turn on your video.

If you have trouble hearing your nurse, turning on the speaker may help.
