# HOW TO UNREGISTER YOUR NUMBER FROM SIGNAL

OPTION 1

To permanently disable your phone number from being recognized as a Signal user type this link into your browser or scan the QR code and then fill out the short form to unregister your number.
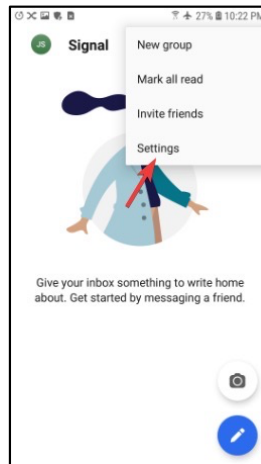

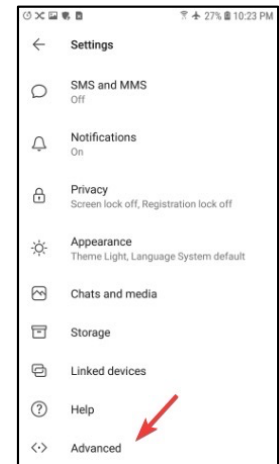

**https://signal.org/signal/unregister**

OPTION 2

Click on the **3 dots** ⋮ in the upper corner

Choose **Settings**

Choose **Advanced**

Toggle the **On/Off** button to **OFF**

Choose **OK**

FINISH

Whether you chose Option 1 or Option 2, you can now delete the app from your device as you normally would.
